

Medi-Stand™

Product Description

Our Medi-Stand range of device stands are mobile and light in design but strong and practical in use. With a stable platform, our custom made aluminium base fitted with heavy duty castors, allows the Medi-stand to withstand the rigours of a long working day. Infection control friendly all surface finishes, textures and materials allow for quick and effective cleaning. Colour code your Medi-Stand range and accessories to complement your working environment. We can also supply Panel PC displays and tailor our Geni-Tec™ power system to your cart. For bespoke OEM design services contact us to discuss your project needs.

Features

- Seamless moulding and smooth surfaces for easy cleaning
- Lightweight manoeuvrability
- Height adjustable, no bending
- Cable management system, no trip hazards
- Power ready with our Geni-Tec™ power system for power on the go
- Small footprint for space
