MioWORK™

A310-A330-A335

Handheld rugged enterprise computing

The MioWORK A330 series* are high performance handheld enterprise tablets. Featuring an IP54 ingression-resistant housing and 1 metre drop resistance, the A330 series is ready for business. Workflows are optimised through the 5.7" daylight-viewable capacitive touchscreen.

The integrated 1D or 2D/1D barcode scanner* and programmable hotkeys allow faster accuracy for key functions and applications. The A330 series includes dual-band WiFi for use on 5GHz enterprise networks, as well as NFC/HF RFID for secure authentication.

The integrated 3G connectivity means field workers are always connected. With up to 8 hours battery life and optional rapid-charging power/data cradles, the A330 series offers uninterrupted use.
