Product Overview

NEXCOM introduces new IR Vandal bullet type IP camera offering outstanding 3MP image quality including support for zoom focus function. NCR-301-VHR IP Camera ,available in indoor and outdoor using scenario, are suitable for building surveillance solution, True WDR / smart IR can overcome variation light condition continued to provide crystal clear image output. IK8/IP67 makes IP camera ideal for all kind of extremely working behavior.

Megapixel @60 fps

NexCam supports high-performance H.264/MJPEG compression technology and offers extra smooth video at up to 60 fps at 1080p, and 30fps @ 3MP. Furthermore, Video ROI [Region Of Interest] function reduce bandwidth and storage requirement, providing users with the best option in bandwidth flexibility and storage efficiency.

Zoom Focus

Post-installation adjustment can be done quickly and painlessly, without the need to tear down and reinstall the camera.

True WDR

The True WDR (Wide Dynamic Range) feature can be very helpful to cope with very challenging lighting conditions. It is capable of capturing both of the dark part and bright part then combining the differences into a scene to generate a highly realistic image. It preserves as much information in the video as possible, the NexCam true WDR IP Camera helps to provide video quality closer to the capabilities of the human eye. Consequently, it is largely applied in high contrast environments such as lobby entrances, parking lots, ATM's and loading areas.
